Dear Ron:

I want to thank you very much for responding to my letter of 31 May 1974 concerning your willingness to serve on the Agency Management Advisory Group and presenting your thoughts on the matter.

STAT We had identified four individuals as the potential member to be appointed on 1 July. We have selected from the Office of Medical Services as our appointee. Having said that, please remember that the MAG membership is a rotating one and future opportunities will be available for you. We will definitely keep you in mind when the need to nominate an individual in your age/grade category next presents itself. In the meantime, please accept my thanks for your interest and responsiveness.

Sincerely,

John F. Blake
